Base AT-A

The AT-A basically comes with a number of standard parts. These parts are marked with a symbol in front of this specific part. The AT-A will be provided with these parts if no other option from this category has been selected. Also a number of parts come with a standard addition. These parts are marked with a symbol behind. It will have this standard addition if no alternative has been selected. For the complete description of the standard parts we refer to the specifications. Below you will also find all possible options and accessories.
